Choose Your Payment Plan

Please note that costs for operating the club exceed the fees charged which may not necessarily be prorated regardless of when rowers join mid-season. Understand that you are responsible for the entire rower's fee and volunteer commitment regardless of late enrollment, rower absences or voluntary departure from the team. If an account is not current, rowers will not be able to practice and, therefore, may be sent home as we cannot leave rowers unsupervised. A **late fee** of \$10.00 will be applied to all accounts with payments received 5 days subsequent to the due date. An account 15 days past due **renders the rower ineligible to participate** in training or races until the account is brought up to date. A **returned check fee** of \$25.00 will be applied to any bounced or returned checks. **Check Payments:** Checks should be made payable to: **First Coast Rowing Club** and put in lock box in the training room. Recurring online credit card payments can be made through the website at firstcoastrowing.com (a 4% PayPal processing fee will be applied).
